

RED LETTER SALE!

We adhere strictly to the policy inaugurated at the beginning of our grocery business: Always represent things exactly as they are; ready and anxious at all times to correct any mistakes; the most goods for your money, quality considered; the best arranged and largest variety to select from of any house in Hopkinsville. If you are not a customer we refer you to any one of the hundreds who are and can testify to the truth of the claim we make.

Don't Read This Bill Unless You Contemplate Making Purchases, for the temptation will be so great you can't resist it without an attack of the blues that will last no telling how long, but if the contrary is the case don't miss a single item.
